367 Students Pledged To Fraternities, Sororities

Sorority Totals Fall Below Last Spring

Panhellenic Council has announced the names of 197 women who have pledged sororities. Last year the total pledges for the regular rush season was 220.

Rushing is over until Panhellenic Council declares open rush season for those groups which did not fill their quota.

Committee Applications Still Being Accepted

Applications still are being accepted by Student Senate for the Charity Drive Committee, which needs one freshman man and one freshman woman. The students chosen will direct the All-Campus Charity Drive in their junior year.

Application blanks may be picked up at the Student Center anytime, and must be returned there by 9 a.m. Friday, March 29.

Inauguration Events Tentatively Listed

Dr. Ralph G. Harshman, dean of administration, has announced the program for the inauguration of Dr. Ralph W. McDonald as president of the University May 10.

Official delegates and guests will register in the Ad Bldg. at 10 a.m. They will be served lunch at the Commons at noon.

The academic procession for the inauguration will assemble in the Gate Theatre at 2:30 p.m.

The inauguration will be held at 3 p.m. in the Main Aud.

Immediately after the ceremony a reception for Dr. and Mrs. McDonald will be held in the amphitheater. Official delegates, guests, faculty members and their wives, and student leaders will be invited.

Court Says No To Appeal For Kraft Rehearing

A petition by East Hall representatives for a rehearing of the East Hall vs. West Hall Senate representation case was denied yesterday by Student Court at a specially-called meeting.

Petition for rehearing was filed with the court last Friday following the withdrawal of an appeal to Student Senate of the court's finding last Wednesday.

At NEWS' press-time yesterday afternoon, it was indicated that Senate would challenge Frank Kraft as legal representative of East-West Halls and request those halls to hold a combined election.

If the petition for rehearing had been granted, Kraft would not have been in danger of removal from his senate seat.

The case arose when West Hall challenged East Hall's election of Kraft to fill the vacancy created by Stan Kolb's resignation.

Formerly an upper class dorm and now a frosh dorm, West Hall was at that time unaware of the halls' custom of alternating representatives each year.

Stating its interpretation of the Senate Constitution last Wednesday, Student Court said that Kraft was illegally elected to office and that a legal election required East and West Halls' joint participation.

Basil Georgopoulos was not acting as counsel for Frank Kraft, as stated in the last issue of the News, but as a representative of East Hall.

ROTC Will Report To Fort Sill, Okla. For Summer Drill

Fort Sill, Okla., will be the site for the six-week period of field training this summer for 45 Bowling Green field artillery cadets, Col. William C. Lucas, professor of military science and tactics, has announced.

The cadets, who have completed their third year in the ROTC, will report to Fort Sill June 21 along with more than 4,000 students from all the other field artillery ROTC units in the nation.

Cadets will rotate daily in their assignments and will man and staff every position in the field artillery battalion. One day a student may be a battalion commander, and the next a lineman or a radio operator.

In addition to the field training and artillery firing that they conduct, there will be many demonstrations. Cadets will see the Army Air Force in action as it demonstrates paratroop warfare and aerial bombing.

Bowling Green students who will report to the camp this summer are:

Marvin Crosten, Dimitri Demetral, Donald Drumm, William Dunn, David Grasser, Allen Hoose, Robert Lowes, Edward Marvin, James Mauch, Eugene Meister, Neil Menzies, Fred Montanye, John Morrow, Jack Mullen, Peter Spang, James Trombino, Eugene Weisgerber, William Baddaker, Vernon Barnes, Harold Buthker, Robert Clark, James Easter, James Faber, Clifton Falls, Charles Jones, Robert Lamberjack, William Luallen, Robert McClracken, William Miller, Earl Nissen, Richard Palguta, Denver Price, Michael Ryan, James Strathern, Thomas Sullivan, George Walton, Marvin Bartels, Donald Boomer, Ronald Brenner, William Goedde, Ronald Metzger, Kenneth Newman, Lloyd Schmidt, Hugh Simmonds, and Frederick Wertz.

Pie Eating Contest Feature Of Tenth Annual Pi Week

Jose Limon Appears Here In Two Shows

Two performances will be presented by the Jose Limon Dance Company when it appears here Sunday in the sixth Artists Series program.

Because of the limited seating space in the Main Aud. where the program will be given, the dancers will give both a matinee and evening performance.

Tickets will be on sale tomorrow, Thursday and Friday from 10 to 11:50 a.m. and 1 to 3:50 p.m. in the ticket booth in front of the Main Aud.

Jose Limon, a choreographer as well as dancer, plans many of his dances around the legends and traditions of his native Mexico. La Malinche and The Moor's Pavane, both of which are on the program for Sunday, are based on themes from folk legends.

Last year Mr. Limon and his company produced several of his new works at the Palacio de Belles Artes in Mexico. He has been invited to spend several months each year in Mexico to present performances at the National Academy of Dance.

Members of the dance company are Pauline Koner, Lucas Hoving, Ruth Currier, Betty Jones, Simon Sadoff, and several others.

Color Catalog Cover Shows Peterson Pic

The cover of the University's 1952-1953 catalog features a four-color picture of the Chemistry Bldg.

The picture was taken by Don Peterson, instructor of journalism. Robert O. Jaynes edited the catalog.

Students may pick up copies of the catalog in registrar's office.

Prout Picture Hung In Chapel

Pres. Ralph W. McDonald accepts the photograph of Dr. Frank J. Prout from Virginia Ogg, right, vice-president of Phi Mu sorority.

The photograph, which will be hung in the Frank J. Prout Chapel, was a gift of the sorority in honor of the group's centennial celebration this week.

On the left are Dwanda Schad, president of Phi Mu, and Dr. Frank J. Prout.

IFC Questions Senate Decision About Gallery

At the meeting of the Inter-Fraternity Council Wednesday it was decided to protest Student Senate's decision that there would be no gallery participation in Senate meetings, on the grounds of unconstitutionality.

IFC's senate representative was instructed to charge this at the next senate meeting in behalf of the organization. Previous to the decision passed by the Student Senate executive committee, it was permissible for the gallery at Senate meetings to voice its opinion after the senatorial discussion was over.

Student Senate minutes, however, revealed that a motion and subsequent approval by a vote allowing gallery participation was made, not merely announced as a result of a Senate Executive Committee meeting and approved by Senate.

The IFC question of constitutionality of banning gallery participation rested upon a motion having been made and passed.

The council, which met in the Student Senate chambers, passed the motions that the Fraternity Sing will be held in the Men's Gym and that there will be no required song this year. Instead there will be two songs—the fraternity song and one optional number.

174 Courses Offered In Summer Session Starting On June 9

Mimeographed copies of the 1952 summer school schedule are available at the Registrar's office, according to Emerson Shuck, director of the 1952 summer session.

The eight-weeks regular session runs from June 9 to Aug. 1; the three weeks post-session runs from Aug. 4 to Aug. 22.

Courses will be offered at all levels for students with different purposes. Entering freshmen will find a full selection of beginning courses. Regular students will be able to choose from a broad range of general and specialized courses offered at all levels.

A total of 174 courses, including those offered at the Huron Playhouse, will be given during the regular eight-weeks session. Courses for the post summer session will be determined at a meeting of interested students to be held this summer.

A feature of the summer program will be the special course in Trends in Education, which will bring to the campus nationally known specialists throughout the eight-weeks period as visiting lecturers. Two of these experts will conduct the course for two weeks each, while the others will be in charge for shorter periods.

A full program of workshops and conferences will permit students to earn college credit in shorter periods than the full eight weeks session.

Numerous cultural and recreational opportunities are planned to add interest for the summer student. The 10:15 a.m. hour on Fridays each week has been cleared for convocation programs of interest to the general student body. Included in these programs will be a piano entertainer, a program on aviation, a male quartet, a dance team, a lecture on the effect of mass communications, and a news analyst and commentator.

One major play will be brought to the campus by the Huron Playhouse group. Movies will be shown each week end.

170 Men Sign Up; Open Rushing On

Closed rushing has yielded 170 pledges for the 16 campus fraternities with an average of 10 per house.

Open rushing may change the rosters but the list complete at 8 o'clock Friday follows:

Swan Club Selects Familiar Hit Songs For Annual Show

"Sands of Time" is the theme selected by Swan Club, University swim club, for its tenth annual show to be presented the first week end in April.

Various times and moods of a day will be depicted by the 22 club members as they swim to such melodies as "Night and Day," "Sunrise Serenade," "At Sundown," "Midnight Masquerade," "Blues in the Night," and "I'll See You in My Dreams."

"I think the audience will enjoy the show this year particularly, because all the songs are familiar hits of the past," Carol Greve, club president comments.

Male swim team members will join the coeds for two selections, one in a group and the other in a duet number. The men also will present a clown act.

Miss Iris Andrews, who is directing the show, will be assisted by Miss Dorothy Luedtke. Both are members of the Women's Physical Education faculty. Wilma Sonkdy, junior, is accompanist for the show.

In past years Swan Club has presented "Aqua Carousel," "Aquasstry in Rhythm," "Sheherezade," and "The Wizard of Oz." Other officers of the group are Mary Thatcher, vice-president; Pat Wallace, secretary-treasurer; and publicity chairman, Collette Williams. Six new members recently chosen from Cygnets, freshman swim club, will make their first Swan Club show appearance this year.

Kampus Kops Like Students, Okay Comic

By MARILYN STEINICKE

Those gentlemen in blue—the Kampus Kops—have a lot more to do around campus than keeping students on the "straight and narrow" and out of the bushes.

Seven men comprise the university police force. They were sworn in both by the state and the city under an Ohio statute which pertains especially to University police.

Chief William Rohrs works either day or night—his favorite shift being Saturday night.

Russell Bascom is the only man on days. He is concerned chiefly with traffic and parking regulations, smoking in buildings, hospital calls, and general safety.

Officer Bascom, who has been on the force seven years, says he "just loves kids." Apparently they like him, too. Alpha Xi Delta made him an honorary member four years ago and equipped him with their quill and ring. He attends their Christmas party every year.

Harold Travis, Dewey Harbin, Ray Webb, Edgar Curtin, and Al-

va Lein perform the various duties of the night shift.

Two men begin at 10 o'clock every night to check buildings for lights, leaky pipes, unlocked doors, and prowlers.

They carry small Detex clocks which they punch with keys located in each building. The cards thus punched record the time they checked each building and these cards are filed for future reference if needed.

The night police also enforce conduct, smoking, and car regulations—the main purpose of their jobs being the protection of students and state property.

Since the police office, located in the Maintenance Bldg. behind the Ad Bldg., is the only one open 24 hours a day, all hospital and emergency calls go there.

The Kampus Kops are very fond of the "Kampus Kop" a la the B-G News.

"That's the first thing I read," said Dewey Harbin, "and I can usually tell which one of us Don Eaton is kidding each week."

Chief Rohrs remarked, "I don't

know how Eaton gets his information but he certainly manages to draw things we've done recently or are particularly pushing that week. We like the strip—it's good publicity. Aside from its comic value, it also serves to impress the students with rules and regulations they are likely to forget."

Regarding that ever-present blight of a coed's life, the car rules, Chief Rohrs said, "Contrary to rumor, the car rules still are definitely on."

In his opinion, one valuable part of the rule is that which regulates the number of cars permitted on campus, because there isn't enough space to accommodate the cars.

There's many a curious student who would like to trade places with the University police one night when SICSIC is at large. The police necessarily know their identity.

"We have to know who is slinking around the buildings at night or it would be one endless chase. We approve wholeheartedly of SICSIC and its spirit-boosting activities," said Chief Rohrs.

And for all their mysterious ways, SICSIC finds that locked doors open much easier and harder-to-get-to places are much easier to get to when SICSIC is aided and abetted by the Kampus Kops.

The police agree that although the students tax their patience occasionally, they are far easier and pleasanter to work with than is the general public. They said the students show them a lot of respect and are always quick to admit when they are in the wrong.

University police try to keep the student's point of view in mind so as not to become overly critical.

"Lots of things happen on campus, such as someone rattling a dorm door at night or someone crawling through a window? A regular policeman would fire on seeing that and make an arrest," Dewey Harbin explained.

They have to combine common sense with the law in judging students and making arrests on campus.

But it's all part of their challenging and interesting job—being a Kampus Kop.

KAMPUS KOPP 'CHEER HEAR'

In Our Opinion

A Gamble

University Artists Series Committee, by the innovation of scheduling a matinee and evening performance for a Sunday Artists Series program, is showing a willingness to gamble on us, the student audience.

Scheduling two performances in the Main Aud. is a gamble because no one has yet found a way to accurately predict student turnout for Artists Series programs. In past seasons, some programs have drawn overflow audiences, while other presentations have barely been able to half-fill the place.

It will be interesting to note the size of the turnout for Sunday's two performances of the Jose Limon Dance Company. If this were Stan Kenton coming, we feel sure that Bowling Green students would pack the Main Aud., or the Men's Gym. But this dance program is nearer to art than popular entertainment, and similar type programs in the past have failed noticeably to draw large crowds.

Don't let yourself, the Artists Series Committee, and the University down by not taking advantage of Sunday's offering. Playing to a sparse audience doesn't make any entertainer happy, and the Jose Limon Dance Company wouldn't think highly of Bowling Green if they played to two half-filled houses.

What About Attendance?

The Athletic Committee and Athletic Director Harold Anderson deserve a word of recognition for the recently-announced football schedule for 1952. Considering the size and manpower of Bowling Green, it is a top-notch slate.

Students next fall will be able to witness five home games. Four games are scheduled with Mid-American conference teams. Chances are looking good for Bowling Green to become a member of that conference soon.

For the sake of future schedules, we hope that students show their appreciation by attendance more than they have with this year's basketball schedule.

Opportunity Guide Distributed Free To Business Grads

"American industry is seeking two things—character and ability—in the college graduate," Clarence B. Randall, president of Inland Steel Company writes in his preface to the 1952 edition of Career, the annual guide to business opportunities.

"If the colleges can give us men of integrity," says Randall, "who can think clearly, learn quickly and apply their knowledge and experience to new and unfamiliar situations, we can provide the detailed training they need to advance in our industries and our companies."

Career is being distributed free of charge to graduates of approximately 300 of the nation's leading colleges and universities through their placement directors.

Randall's article is one of several in Career surveying job opportunities.

G & M DRUGS

Student Court Clerk Announces Hours

Office hours for the clerk of Student Court have been set for 10 to 11 a. m. and 3 to 5 p. m. on Monday, Wednesday, and Friday, and from 3 to 4 p. m. on Tuesday and Thursday, according to Nancy Gruner, clerk of court.

All fine payments or questions should be directed to Miss Gruner at the Student Center. Fines are placed directly into the Clayton C. Kohl Scholarship Fund of the University.

Student Court sessions will be held every Wednesday at 4 p. m. in the west wing of the Student Center, according to Niles Fulwyler, chief justice. The Court handles all cases involving traffic or smoking violations, inter-organizational disputes, or cases necessitating judicial interpretation.

Justices are selected by application to Student Senate. Those new serving along with Chief Justice Fulwyler and Miss Gruner are Angela Genovese, John Grossman, Shirley Hollis, and Mark Brown.

Best Area Profs Offered Help During Summer

Graduate scholarships will be offered to outstanding school teachers in northwest Ohio for the 1952 regular summer session here at the University.

Each school superintendent in this section of the state has been invited to nominate one outstanding teacher from his staff for a graduate scholarship.

Qualifications and conditions are: The individual should show outstanding accomplishments or promise as a teacher.

He (or she) must be acceptable for full admission to the Graduate School at Bowling Green State University and must be pursuing or beginning a graduate degree program here.

He must register for a normally full schedule of classes in the 1952 summer session.

The scholarship will cover the registration fee for the regular summer session. It does not include incidental fees, laboratory fees, or special course fees which may apply. Students may commute or arrange for board and room on campus.

Fellowships Offered Grads Total \$1200

Students interested in public affairs and public service careers who receive their bachelor's degree in June are offered an opportunity to apply for fellowships carrying stipends of \$1,200 per year. This fellowship provides the opportunity of studying at one of three different universities.

Beginning in June, 1952, fellows will serve an internship with a public agency such as the Tennessee Valley Authority, a city manager's office or a department of state government. The 1952-1953 school session will be organized to provide fellows a unique opportunity to take graduate courses at three universities.

For eligibility requirements and other information, students are invited to see Dr. Charles A. Barrell, head of the political science department, or write to: Educational director, southern regional training program in public administration, University of Alabama, University, Alabama. March 1 is the deadline for submitting applications.

Official Announcements

The third round of the intramural debate tournament will take place Thursday at 7 p. m. Teams should go directly to their assigned rooms.

Falcons Meet B-W Yellow Jackets Thursday; Retherford Top Scorer

Bowling Green's Falcons will face high-scoring Dick Retherford and the Baldwin-Wallace Yellow Jackets Thursday night at Berea, Ohio.

Retherford, B-W's head drum major during the football season, is considered the top cager of all time at the Berea institution. The six-foot, seven-inch pivot-man set a new school scoring record earlier this year, eclipsing the old mark of 1,152 points set by Dick Selgo. Last year he tallied 495 points, also a record, while averaging 19 points a game.

If Retherford's success so far this year continues he should have no trouble topping both 1950-51 marks. He was sixth among the nation's scorers last week with a 24.3 a game average and had already tallied more than 400 points. A good fast-break center, Retherford's variety of shots and rebounding ability make him tough to handle. His best shot is a jump from anywhere around the key-hole; he also scores with tip-ins, hooks, and sets.

Despite the great play of Retherford, as a team the Yellow Jackets haven't done too well. Their 9-9 record is far below the 19-7 record they piled up last season.

Two defeats were drubbings by Kent State and Dayton. Kent held Retherford to 15 points in running up a 82-64 score, while Dayton had no trouble winning 97-64. Dayton also owns a victory over the Falcons, 70-68 here on Feb. 12. Bowling Green out-raced the Kent State team 89-79 Feb. 16.

Starting forwards for the Flashers will be six-foot, two-inch Alex Leslie, number two scorer on the squad and an outstanding defensive player, and Bill Moland, six-foot, three-inch who shoots practically any shot well.

Guards will be two-year letterman Bob Eber, who specializes in feeding Retherford, and speedy Jim Rodriguez, considered the best shot on the squad.

Bowling Green center Jim Gerber, whose scoring dropped a bit against Toledo, getting only seven points, should feel freer against the fast-breaking Baldwin-Wallace team. The six-foot, six-inch scoring artist is averaging 19.6 points a contest; he has ripped the nets for 451 points in the first 23 games.

Crystal "Boo" Ellis, whose 14 points in the games against Dayton and Kent and 15 against Toledo gave him an even 100, will start at one of the forward posts. Al Bianchi, jump shot expert and the team's third highest point-maker with 239, will be the other.

Seniors Jerry Kempter, second to Gerber in scoring with an 11.1 average, and Steve Galetti, play-making and defensive specialist, will start at guards.

After the Yellow Jackets, just two more games remain on the Falcon's schedule. Loyola of Chicago, a team with which Bowling Green already has split two games this season, will furnish the opposition March 1 in Chicago Stadium, and Western Kentucky's Hilltoppers, 89-57 victors over the Falcons on the third game of the year at Bowling Green, Kentucky, will close the 1951-52 season here March 3.

Women's Play-offs Begin This Week

Play-offs began this week for the women's intramural basketball championship. On Feb. 18, the Hep Cats were victorious over Kappa Delta, 28-14, to win the Monday-Wednesday 4 p. m. league championship.

Gamma Phi defeated Alpha Chi Omega, Thursday Feb. 21, at 4 p. m., becoming the winner of the Tuesday-Thursday 4 p. m. league. In the Tuesday-Thursday 7 p. m. league, Shatzel won the championship with a 17-7 win over the Ravens.

Schedule of play-offs for the campus championship is as follows: Monday, Feb. 25, at 4 p. m.—Hep Cats vs. Gamma Phi; Tuesday, Feb. 26, at 4 p. m.—Shatzel I vs. Gamma Phi; Wednesday, Feb. 27, at 4 p. m.—Hep Cats vs. Shatzel I.

The standings are:

	W	L	T
Freshmen	3	4	1
Sophomores	6	1	1
Juniors	4	4	0
Seniors	2	6	0

Tankers Swamp Cincinnatti 65-19

Bowling Green's swim team completely swamped the University of Cincinnati tankmen, 65-19, Saturday in Cincinnati, taking every first and setting one new record.

Don Kepler, Fred Gerbing, Herb Scogg, Dan Craft, Phil Slaymaker, and John Bruce took first places for the Falcons. Gerbing and Kepler twice took the number one spot.

In addition, two Bowling Green relay teams had better times than the Bearcats.

One of Kepler's firsts—in the 220-yard free style event—set a new record for the 20-yard pool. His time of 2:16.8 eclipsed the old mark of 2:16.6 set by ex-Falcon swimmer Harry Shearer in 1950.

Bill Dellen and Bruce received praise from Coach Sam Cooper—Dellen for his work in the 300-yard medley relay, the 100-yard free style relay, and Bruce for his excellent time of 2:30 in winning the 200-yard breast stroke event.

Tomorrow the Falcons will face a strong Wayne University swim team in the University Natatorium. Meet time is 7:30 p.m. This will be the first home meet since Bowling Green defeated Western Ontario here Jan. 26.

4 Swan Club Members In Synchronized Swim Tournament Saturday

Four members of Swan Club will enter the Inter-collegiate synchronized swimming tournament at the University of Illinois this Saturday.

The tournament, first of its kind, will provide a chance for collegiate swimmers from all over the country to compete for honors.

Colette Williams and Pat Wallace will do a duet to "Me and My Shadow." Last year they placed seventh in a national competition.

Carol Greve, president of Swan Club, will do a solo entitled "Charmaine." Sally Buck will swim to "Belle of the Ball."

Jayvees Win AAU Cage Tournament

Coach Ray Whittaker's Junior Varsity basketball squad is Northwestern Ohio's new AAU Basketball Champions.

Playing under the name of the Art Iron and Wire Works, the Baby Falcons won the title last week in Toledo when they defeated the Toledo Lounsbury Chevrolet team, 66-61, in the championship game.

As a result of this victory, the JV squad has won the right to represent the Northwestern District in the Ohio AAU Tournament to be held in Dayton, March 8 and 9.

They will be competing against teams from the Cincinnati, Columbus, Dayton, Springfield, and Lima areas. The winner of that tournament will travel to Denver, Colo., to play in the National AAU games.

Coach Whittaker's boys, whose season record now stands at 20 wins and 3 setbacks, waltzed over 4 other tournament entries before meeting the Lounsbury five.

The Swanton Merchants lost by a 30 point margin, 64 to 34, and Fremont's Weller Wonderly team was buried by an 84-46 score.

In their third tournament tilt, the Falcon futures defeated the Bowling Green Sigma Chi team, present fraternity league leaders, by a score of 45 to 24.

VFW Post 606 of Toledo proved only to be the final warm-up for the championship game to the JV's, as they fell 61-46.

Phil Seckerchak led the Little Falcons in tournament scoring. The six-foot, two-inch sophomore forward swished 82 points for a better than 16 point average per game. He led the team in scoring in four of the five tilts.

Don Robinson, who played the other forward position, was high-point man in the championship game with 21 markers. He collected a five game total of 62 points.

Bill Sherin, starting center, ended the tournament with a total of 41 points. Jim Burkett and Dick Straight, starting guards, finished with totals of 27 and 58 points respectively.

WIS Member Competes In Chicago Gymnastics

Lois Ann Ousky, WIS, will represent Toledo at a gymnastic meet in Chicago next month. She will compete in the women's division in executing routines on the parallel bars and flying rings and will also participate in rhythmic calisthenics.

Wayne West, John Weger, Dave Gallapoo, and Bill Bradshaw rounded out the nine-man squad which Whittaker used in the tournament.

For the five tilts, the JV's scored a total of 320 points for a 64 point average per game, while they held their opponents to 211 markers for a 42 point game average.

In the course of winning their five games, the Junior Varsity played in four different gymnasiums. They saw action on the Maumee, Macomber, and Toledo Woodward High School hardwoods as well as on the Toledo Catholic Youth Club floor.

Central Michigan Replaces Mt. Union In '52 Grid Slate

Central Michigan will open the 1952 football season on September 20, Athletic Director Harold Anderson announced Friday. The Chippewas replace Mt. Union.

That was the only team change from last fall's schedule which ended with the Falcons holding four wins, four losses, and a tie.

Five of the nine games will be played at home. Not since 1947 has Bowling Green played more than four home games. Besides Central Michigan, Miami, Baldwin-Wallace, Youngstown, and Ohio University will battle on the Falcon home grounds.

Miami, Toledo, Kent State, and Ohio U. are members of the strong Mid-American Conference.

Bradley (Ill.) will be the only out-of-state field invaded by the Falcons. Bowling Green meets the Braves Oct. 11.

Coach Bob Whittaker's 1951 squad defeated Ohio Wesleyan, Bradley, Baldwin-Wallace, and Youngstown. It lost to Mt. Union, Toledo, Miami, and Ohio U.; Kent State battled the Falcons to a tie.

All games will be played on Saturday afternoon.

The schedule follows:

September:
20 Central Michigan
27 Miami
October:
4 at Ohio Wesleyan
11 at Bradley
18 Baldwin-Wallace
25 at Toledo
November:
1 at Kent State
8 Youngstown
15 Ohio University

Sigma Chi Still On Top In Frat Intramural Loop

In fraternity basketball last week Sigma Chi, led by Dick Williams, won its eighth straight game, defeating Kappa Sigma 22-16. ZBT remained in second place by easily downing Theta Xi 22-9.

Fraternity basketball league standings are:

Sigma Chi	8	0
ZBT	8	1
Phi Delta Theta	7	2
Phi Kappa Tau	7	2
SAE	6	3
Kappa Sigma	5	4
Delta Upsilon	4	5
ATO	4	5
Sigma Phi Epsilon	4	5

Theta Chi	3	5
Alpha Sigma Phi	3	6
PIKA	3	6
Sigma Nu	2	6
Theta Xi	2	6
Phi Kappa Psi	2	7
Delta Tau Delta	1	8

6. Deadline for all entry sheets is Thursday, March 6 at 4 p.m.

5. Teams may enter one of three divisions. (a) Monday and Wednesday at 4-5 p.m. (b) Tuesday and Thursday at 4-5 p.m. (c) Tuesday and Thursday at 7-9 p.m.

4. Teams may practice any day at 4 p.m. and Tuesday and Thursday evenings at 7:00 p.m. beginning Monday, March 3. It is recommended that all teams practice at least once before the tournament starts Monday, March 10 at 4 p.m.

3. There shall be no more than 50% majors in physical education on the floor at any one time, with one exception: seven players-4 majors and 3 non-majors.

2. A player may be a member of one team only. (a) Dormitories, rooming houses, sororities, etc. may enter teams. More than one team may be entered by any organization.

1. There shall be a maximum of 8 players or a minimum of 6 on a team on the floor.

FRATERNALLY YOURS

By Shirley Good and Pat Osborn

Congratulations to the 197 sorority pledges and 170 fraternity pledges. After much worrying by all parties concerned, the rushing season is over, and rushees are settled in their new families.

After the first few days of elation, the pledges will discover the true meaning of the lowly status of pledge. Scrub brushes and shoe polish will become common utensils to these sad souls.

But it's all part of the fun of orientation into the Greek world. Under the surface of active-pledge antics is a system that adds to college life and friendships. So good luck, pledges, you'll be active before too long.

Besides the pledge parties and activities over the week end, several other fraternity and sorority parties were held.

More than 100 couples attended the "Twin" party given by Sigma Chi for members and dates of Kappa Sigma and Zeta Beta Tau Saturday night.

Delta Zeta gave a Parisian party for Alpha Sigma Phi Friday.

Sigma Phi Epsilon had a taffy pull Saturday night.

Mrs. Theisen, province president of Alpha Delta Pi, was a guest of the sorority over the week end. An all-campus tea was given in her honor by the chapter. Joyce Mori was chairman.

Phi Kappa Tau gave a dance Saturday night. Pi Kappa Alpha had a record dance Saturday.

Gamma Phi Beta entertained the Sigma Alpha Epsilons at a ranch party Friday night.

Exchange dinners: Delta Zeta and Men's Independent Society, and Gamma Phi Beta and Delta Tau Delta.

Zeta Beta Tau held an open

house Sunday for its trustees and guests in town.

New sorority officers: Alpha Delta Epsilon: Bev Bergner, president; Lila Lesnick, corresponding secretary; Edi Steinberg, pledge mistress; and Sue Chason, rush chairman.

Alpha Delta Pi: Laurel Holan, president; Nan DesLauriers, vice-president; Joan O'Neil, corresponding secretary; Mary Ibele, recording secretary; Ruth McClellan, treasurer; Jeanne Marcum, chaplain; Tommie Eldred, social chairman; and Nancy Miller, guard.

Sunday dinner guests at the Delta Zeta house were the sorority's sponsors, Miss Beryl Parrish, Miss Sylvia Richards, and Miss Catherine Ellis.

ZBT has given social membership to Morton DeBroff, graduate student in psychology. He is a member of Pi Lambda Phi at Pittsburgh University.

Alpha Phi entertained Sigma Chi at a birthday party for George Washington Friday night. Everyone wore George Washington hats made from B-G Newses. For refreshments — of course — cherry tarts. It was also Wally Jones' birthday, so he was served a cherry tart with a candle in it.

Correction: Alpha Tau Omega officers: Al Nichols, usher; Don Hammerstrom, secretary; and Dick Ginther, sentinel.

Centennial Tea Begins Events Of Anniversary

Phi Mu began its one-hundredth anniversary celebration with a centennial tea Sunday.

The group was founded March 4, 1852 at Wesleyan College in Macon, Georgia. There are now 67 chapters of Phi Mu. The Delta Kappa chapter of Bowling Green became part of the national group in 1946.

At the centennial tea Sunday, Phi Mu presented Dr. McDonald a large gold-framed picture of Dr. Prout to be hung in Prout Chapel. Dr. and Mrs. Prout attended the presentation.

During the week, Phi Mu's will wear their colors, rose and white, under their pins. March 4, there will be a Founders Day banquet at the Women's Club.

The centennial will be concluded with a formal at the Fine Arts Bldg. The theme of the dance will be the Mardi Gras, to tie in with the Southern origination of the group.

Virginia Ogg is general chairman of the centennial.

Psych Honorary Hears Prof. Graham

Prof. Bruce A. Graham of the speech department spoke on "Psychological Effects of Aphasia" when he addressed psychology honorary members Feb. 21. After Professor Graham's speech, plans were discussed for the initiation of seven new members, March 6, and the initiation banquet, March 20.

New president of the Usherette Club is Shirley Hollis. Other officers elected Feb. 14 are: Barbara Jo Libbee, vice-president; Barbara Shiller, secretary; and Pat Limber, treasurer.

A bowling party was the main topic of discussion at the last Off Campus Club meeting. This party will be held Feb. 29.

At the next meeting on Wednesday, Feb. 27, plans will be worked out for the group's all campus dance in April. All off campus students are invited to attend this meeting.

Sponsoring groups of the Student Christian Fellowship gave their semi-annual church night supper at 6 p.m. Sunday. At these meals students were invited to the church of their choice to share in the fun, fellowship and food with the townspeople of Bowling Green.

Churches participating in this affair were: Methodist, Presbyterian, Evangelical United Brethren, First Christian, and Episcopal.

"Let me show you what I have in mind," said the professor as he erased the blackboard.

Local Version Of Mardi Gras Celebrated With BG Pi Week

This is Pi Week, one fraternity's version of Mardi Gras at Bowling Green.

Members forming this "pi-archy" of the week's social calendar are divided into a mere 9 committees and 12 sub-committees. Of course, anyone not on a committee may organize his own and be equally unnoticed.

One of Pi Kappa Alpha's main problems in the past has been presentation of the freshman dream girl.

For example, several years ago the unveiling was to feature a blast of gunpowder, the settling smoke revealing the happy contest winner. The plan was dropped when a trial blast in the power plant building resulted in just that, a blast, destroying the transom, a table, and nerves of unwary fraternity men.

Who knows what extravagance will reveal itself this Saturday? Those on the INSIDE say a trojan horse is in the making.

Another Pi Week folkway is a race with pies. Contestants from sororities and fraternities, leaving all their Greek sophistication at their Greek dorms, line up and try to glorify forever the Greek name of their group by out-gobbling the others.

Many people overlook other Pi Week functions. For instance, there is the annual two-man dorm, six-man dorm, twelve-man dorm, interdormitory sing.

Time for this affair is not exactly stated in the fraternity's pi-laws, but usually is around 2:30 a. m., when crusty troops return from active duty at foreign outposts, such as the Midway. However, this vital event is only in warming up for the all-campus serenade, a windblown affair. At each sorority house pies are presented after the serenade.

This is in order to facilitate a hasty and dignified retreat and helps to save consciences of the brothers for subjecting the poor girls to serenades.

Camp Councilors Wanted For Jobs In Adirondack Mts.

Applications for councilorships at a large boys' camp in the Adirondack Mountains are being sought through Eastern colleges and universities.

William H. Abbott, director of the Adirondack Woodcraft Camps, explained that students interested in an eight-week summer counciling position at the camp may apply by writing to him at P. O. Box 237u, Fayaville, N. Y.

The Woodcraft camps are located in the heart of the Adirondack Mountains on Lake Kan-ac-to, near Old Forge, N. Y.

Doggy Haircuts Panned In Campus Coiffure Vote

The poodle cut as defined and quoted in the Feb. 8 issue of the B-G News is "an extremely short haircut which would make Jane Russell look like Jerry Lewis—almost." Noah Webster didn't define the poodle cut for us. We'll let the Ohio State Lantern's definition pass, but we'll let the Bowling Green students tell you what they think of the poodle cut and on whom it looks best.

According to Howie Goldberg, MIS, "It's great, that is on those who have the features to carry it off. It makes others look like prospects for the electric chair. I'm waiting to see what the fox clip and wolf chop will be like."

"Things that belong on dogs should stay on dogs," said Linda Harding, Urschel Hall, and "not on their best friends."

Arlene St. Aubin, Alpha Chi Omega, thinks "it's fine if you have the features of a dog."

"Actually," Nick Miletto, Theta Chi, thinks "they're pretty chic. If you could wear bangs with it, I'd probably get one myself."

Don Brenner, Phi Kappa Tau, said, "It should be left to the poodles," while Lois Hayes, Alpha Phi, thinks "on some girls it looks good, and on some it doesn't."

Frank Rowe, junior, agrees with Lois when he said, "If they fit the face, I like them."

New Men Elected By Ind. Arts Club

Andy Belokopitsky was elected president of the Industrial Arts Club at a recent meeting. Other officers include Robert Putman, vice-president; and Keith Ingle, secretary-treasurer.

Dr. E. C. Powell, associate professor of Industrial Arts, was the speaker of the evening. All industrial arts majors and minors are eligible for membership in the club.

High Scorers Receive Bridge Club Awards

Ed Housholder, Mark Brown, Dave Machak, and Don Lytle received prizes for having the highest score at Duplicate Bridge Club at its last meeting. The club will meet this week on Thursday at 7 p. m. in the Lab School Gym.

LOST: White gold identification bracelet with Rose Ann engraved on it. Rose Ann Linenbugel, 215 Thurston, call 4781.

Last Spring 220 girls pledged sorority.

From Another World

Bath In Hot Lead To Avoid A Bombs Advice Of 'Experts'

The Iowa State Daily offers some timely advice about what to do in case of an atom bomb attack.

(a.) If an atom bomb falls on you, remember—it is your patriotic duty to die. The atom bomb is supposed to kill everybody under it, so don't louse things up by staying alive.

(b.) To avoid radiation, protect yourself with lead. An ideal covering can be had by jumping into a vat of molten lead and letting it cool to fit your shape. The heat may be uncomfortable at first, but you won't feel it for long.

(c.) To help your neighbors, try to cheer them up. Inject some fun into the situation by suggesting a little diversion such as a game of charades or a few hands of bridge.

Could it be a relative of the author of "Take Care of My Little Girl" who wrote in the University of Buffalo Spectrum these reasons, "Why I Never Joined a Sorority."

1. I wanted to do as I wished and think for myself instead of being led around by a bunch of sorority sisters.

2. I had never joined a women's club or organization before I came to college and I didn't want to start.

3. I don't look very attractive in a low cut gown.

4. I am a male.

Campus Interviews on Cigarette Tests

No. 34...THE FERRET

Descended from a long line of distinguished researchers, this studious scholar has burned too many gallons of midnight oil to gloss over a subject lightly. Especially such an important item as cigarette mildness. He burrowed into the matter with his usual resolution and concluded that a "quick puff" or a "fast sniff" doesn't offer much evidence. Millions of smokers agree there's but one true test of cigarette mildness.

It's the sensible test...the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke on a day-after-day, pack-after-pack basis. No snap judgments! Once you've tried Camels for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why...

After all the Mildness Tests...

Camel leads all other brands by billions
